Jayde Hamilton - Our 1st ever AFL Canberra Women's First Grade Best & Fairest!

It has been a very tough week for the club however Wednesday night brought a smile to our faces when our 1st Grade Women's Captain Jayde Hamilton took out the 2023 Bainrot Medal. Jayde's leadership & playing consistency went to another level this year and she was truly rewarded for these efforts.

We also had a host of other award winners on the night which are all listed on page 7. Just missing out on their own Best & Fairest awards were Sarah Burns who came 2nd and Kallie Gumm 3rd in the Women's Reserves while Lachlan Highfield finished 3rd in the Mulrooney Medal 1st Grade men count.

Not the results we wanted last weekend, however if you offset the terrible off season where we lost a host of players in both squads coupled with losing players to overseas travel late in the season, it has been an awesome effort by all our players who represented this great club throughout 2023.

Our year is now over with a special mention to our Women's Reserves on winning the Minor Premiership and the Preliminary Final. We now all head into the off season for a break with our Presentation Night set for Friday 13th October where we acknowledge our individual performances. Details page 5.

We will be back bigger and stronger in 2024 as we prepare to celebrate our 100th Year! Stay tuned for some exciting player and coaching signing announcements in the coming weeks / months!

Congratulations to the Googong Hogs Women's team won the Community Grand Final last weekend !

Finally and a huge thankyou to our Partners, Members and Supporters. The belief and support you continue to provide our footy club it is truly valued and appreciated and never taken for granted!

Statement from the Board of the Queanbeyan Tigers Australian Football Club

Unfortunately, a decision by the controlling authority / match day and rules committee of the AFL Canberra and AFL NSW/ACT has declared the Tigerettes Reserve Grade defeat of Eastlake in the Preliminary Final last weekend has been reversed with the Tigerettes now ineligible to participate in the Grand Final this weekend.

This is truly devastating for the entire Club but no more so than the individuals involved with the team from Coaches, Players and Management.

We have no alternative but to accept this decision in the best interests of the entire competition.

The Queanbeyan Tigers Football Club has held the highest integrity for some 99 years and will always abide by the rules & laws of the AFL Canberra Competition both on and off the field.

We reinforce that at no stage did the club deliberately try to break the rules and or do anything it felt would jeopardise our teams - we would never put our players in harms way and their well-being is always our utmost priority.

We apologise to our entire organisation, Partners and supporters for the misinterpretation of the laws in relation to the finals series and convey our best wishes to all clubs participating in their respective Grand Finals.

99 Years and Counting – One to Go!

“OUR HISTORY FROM 1925 - BLAST FROM THE PAST MOMENTS”

researched by current 100 Year Committee Member Josie Stephinson.

#19

This week has been a challenging one for our club but not something we haven't previously experienced or overcome.

In 1983 in the preliminary final Queanbeyan played Eastlake. In the previous weeks semi final, Eastlake's Captain coach had been reported after an incident involving an umpire. The ACTAFL independent tribunal had postponed the hearing at Eastlake's request in order for them to seek advice from a solicitor.

This was considered by most football followers as against the ACTAFL bylaws interpretation. The captain coach of Eastlake was therefore able to play the preliminary final and was instrumental in Queanbeyan being defeated by Eastlake as he kicked 7 goals.

The following week the captain coach was suspended for 10 weeks. Justice in no uncertain manner but injustice to the Tigers prevailed.

This was a dot in our history, as this week will be. Let's remember that our Club is defined by so much more than a single football game. We are a community united on friendships, family, laughter, support and footy (not the mention the odd sausage sandwich and brew).

We have proven over the years our ability to overcome adversity and although we face disappointment, we still have so much to be proud of achieving this year, and tomorrow we can look forward with enthusiasm and excitement about what the next season – our 100 YEAR celebration will bring.

We've come through it before; let's continue to be the role model for other clubs to aspire to, and let's do it again. **Fortis Ad Finem – Strong to the End.**
