# FROM THE GM'S DESK

Adrian Pavese

Happy New Year and welcome back to our Tigers Army, we hope you have had a safe holiday season and are ready to get your Tigers Footy Fix in 2022!

Coming off a disappointing end to the 2021 season where the season was cancelled, our tigers men & women's squads have returned to training with a strong attitude - the focus being on unfinished business. Over the break the club has experienced a small turn over of players but have recouped these losses with some handy additions to both playing lists.

We welcome these players and their families to our tigers family and wish those who have moved on all the very best for the future and please know you will always have a home at Tiger Land!

The club has an action packed year ahead as we start the build up for our tilt at the titles. It starts with a new concept the club has developed being the Patches Asphalt AFLW QBN Cup. There are already 12 teams nominated and we welcome teams from all around the state for their chance to win some big prize money. There are also quality trial games organised with all details on Page 3.

Dates for our annual events will be released soon once we have the full draw available, these functions include the Reverse Draw, Ladies Day, Past Players Day, Long Luncheon, 10yr NEAFL Premiership Reunion & Golf Day to name a few functions. All details will be sent out soon.

We welcome back our long term Partners who are on board again and we welcome a host of new Partners for 2022. Our 2022 Business Partners Booklet will be released soon and we encourage everyone to support these business that support us! On behalf of the players, Board and volunteers, thank you, your support and belief in our footy club it is truly valued and appreciated.
