FROM THE GM'S DESK

Adrian Pavese

A beautiful day greeted us last week at Football Park when we took on the Demon's in 4 big games of footy. We took the honours winning the 4 games including a big morale boosting win by both the Men's Reserves and Women's 1st Grade squads.

The reason these wins were significant is that for the first time in 2022 both squads have beaten teams above them and shows when numbers return and consistency builds they are well and truly in the finals picture. But like every week so far this year, we can't seem to get through a week without incident, illness or injury!

When it rains it pours, we lost our second player in two weeks to a serious injury with Co-Coach Kade Klemke going down early in the last qtr. We hold out hope that he may be back in 6 weeks with everything crossed, added to Kade was the injury to Kyle Bray who is likely to miss 4 to 6 weeks as well. Again we do what we do well as a club and will rally around the boys as they begin their recovery!

To put things in perspective of how tough this year has been with fielding teams through the first 10 rounds, the Men's Reserves have had 50 players play at least 1 game, Women's Reserves 47, Women's 1st Grade 36 and Men's 1st Grade 36 with the men's seniors averaging 6.3 changes to the 1st grade team every week - WOW!

Full credit to all involved in making sure we field squads on a weekly basis and to have every team in the still in the mix for finals with 5 rounds to go is remarkable, fingers crossed we have some luck as finals approach.

All game Round 11 details including the junior fixtures are on Page 3!

A reminder, dates and details for Ladies Day, 100 Club, Presentation Night and Golf Day are included in the newsletter. Tickets for the AFL Grand Final \$3000 Reverse Draw will be available soon!

To all of our Partners, Members and Supporters, on behalf of the entire football club thank you for your support and belief in our footy club it is truly valued and appreciated!

ENTIRE·PHYSIO

Interested in an Automotive Apprenticeship as a Mechanic/Light Vehicle Technician, with an employer of choice? Then this is the job for you!

About us

NCT opened Canberra's only independent Toyota dealership in January 2016. Since then, we have become the people's choice for Toyota in the ACT as the highest level of customer service in sales and service in 2020 & 2021. Located in Tuggeranong we offer a state-of-the-art dealership with focus on career development, guest satisfaction and teamwork. We take pride in our supportive work culture and believe the customer experience will continue our growth in the local marketplace.

Toyota Hilux, Rav4 and Corolla finished in the top 5 most sold cars of 2021 and Toyota's Hybrid models growing in popularity we now need more staff to interact with our customers. Toyota's market share is now above 20% so it has never been a better time to join the Toyota dealer network.

About the role

Working in a well-maintained service centre for some of the world's top vehicle manufacturers, you will be involved in the service, maintenance, and repairs for various makes of vehicles. On completion of your apprenticeship, you'll hold a Certificate III in light Vehicle Mechanical Technology and be a certified Automotive Technician.

To be eligible for this role, applicants must be able to demonstrate a passion for the automotive industry and a mechanical aptitude. You will also have a neat professional appearance, good oral and written communication skills, ability to work in a team environment and be focused on total customer satisfaction.

Ideal Applicant will possess:

- An interest in the Automotive industry
 - Be committed to becoming a qualified mechanic
 - A team player and able to take initiative
 - A good work ethic, punctual, efficient, honest, and reliable
- A current driver licence (Provisional P1 and above - preferably manual)
No experience necessary, just a genuine passion for Automotive!

We offer great benefits, rewards and working conditions including:

- Ongoing training focused on continually improving service levels and staying up with advances in technology
- Excellent working conditions
- Uniforms supplied
- Job stability
- Commitment to your career development
- Family environment
