Tigerettes hit 50 not out with big win

The Last Word

STEPHEN PEIOS

THE Queanbeyan Tigerettes have come a long way since their formation in 2010 and they celebrated

their 50th game on Sunday with a victory over ANU at Dairy Farmers Park.

Late last year I wrote about how AFL Canberra was planning a shake-up of the women's league and there was some consternation about how this would affect Queanbeyan heading into the future.

Any disappointment was quickly put aside during a strong pre-season and the girls have started the new-look competition very well, winning all three of their games against their division

two rivals comfortably.

And even though our girls have lost against division one sides Eastlake and Belconnen, their immense potential is really starting to shine through.

“Everything is pointing to Queanbeyan becoming a successful side over the coming years and with continued hard work, we can be a powerful division one team” said coach Robert Anderson.

“The team has come a long way since 2010 where we operated on minimum numbers, to where we are

today with 34 players having made appearances so far this season and 25 plus at most training sessions”.

Saturday's game against ANU was a perfect example of the attitude within the group.

Despite still struggling at times to maintain pressure and urgency, the Tigerettes managed to grind out a 5.13 (43) to 2.1 (13) victory.

“In the second and third quarters ANU put immense pressure on us, we were a bit flat and were not working as hard as we

should have been” said a happy, but reserved Anderson.

“Although the girls didn't play at their best they showed that they are capable of playing excellent football and still closing out a game.

“The final 10 minutes showed that we don't accept the possibility of defeat and are developing a winning culture.”

The club also has clear goals for 2013 and that focus is motivating the players to put in their all every week.

“The ambition for this season is to win the division two title and to hopefully defeat at least one of the division one sides, which I think is very achievable for this group” said Anderson.

A big congratulations also to Kristen Turner and Hannah Dunn who have been tremendous contributors from day one and also played their 50th games on the weekend.

Further congratulations are due for Dunn and Tegan Tisma, who are in the ACT representative side to travel to Cairns in June.
