#100 YEARS OF TIGERS FOOTY

Firstly a big call out and thankyou to our current and former servicemen & women who have either played, coached or volunteered at the Tigers! We truly appreciate your contribution to our country and are honoured to have you involved with our club.

We finally completed round 1 last week with solid wins in both the reserves games and a couple of losses in our rising stars grades. The up side from round 1 was across all grades the quality of football was really good and there is no doubt we are in for one of the best AFL Canberra seasons in many a year.

We head to the Valley for round 2 this weekend with all details on [details page 3](#).

It will be the 1st time in 2024 that all teams are back together and we are really looking forward to having a full card of games. The challenge against the Valley will be a good one as they have improved across the board and again some good footy is promised, so get along to Greenway and cheer on your tigers.

Planning has begun for our “30th Anniversary Long Luncheon” with save the date details to be released soon but in an exclusive we have secured former Australian Cricket Legend & Coach Darren Lehman and Aussie comedian royalty Dave O’Neill for this years event. Stay tuned for further details.

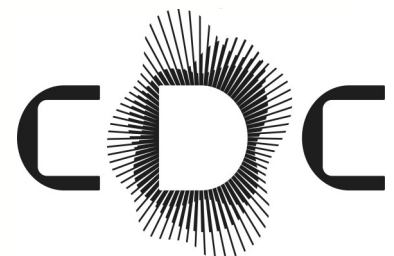

To our Partners, the belief and support you provide our footy club it is truly valued and appreciated and never taken for granted! I know we say it all the time, but without you all this club doesn’t happen!!

The club encourages our Tigers Army to support partners who support us, we have an enormous range of Partners and anything we can do to give back as a thank you is greatly appreciated.

AULICH

THANK YOU TO OUR MAJOR PARTNERS

100 Years of Tigers Footy!

“OUR HISTORY FROM 1925 - BLAST FROM THE PAST MOMENTS”

researched by 100 Year Committee Member Josie Stepinson.

#24 The Tigers are proud of their home ground and are always seeking ways to improve its amenities. During 1990, with the assistance of the Queanbeyan City Council and the State Government, the Club was able to have a roof constructed over the existing grandstand. The cost was covered on a dollar-for-dollar basis by the three contributing organisations and was a difficult one for the club as it had to raise its share by borrowing over 10 years, restricting its ability to meet other commitments. The roof went ahead however and is a significant enhancement for the ground attracting additional sporting fixtures.

Pictured the Grandstand in 2014

Grand Final day in 1990 saw another club record broken when it competed in its sixth successive Grand Final. Over the season the First-grade team had only lost one match during the home and away games despite injuries to many players.

Unfortunately, the grand final did not go Tigers way and the more consistent Ainslie team won on the day, bolstered by one particular 17-year-old player and subsequent AFL Essendon Club player, James Hird, who kicked five goals that day for the Ainslie team.

A very talented Reserve Grade team achieved another premiership victory for the Tigers however, defeating Manuka-Weston in the Grand Final.

1990 also saw an unprecedented five way tie for the ACTAFL Mulrooney Medal. Tigers players in this mix Included Tony Wynd who won his fourth Mulrooney medal, and team mate Steve Cornish, who was also the ACTAFL's leading goal kicker with 105 goals.
